

WAGE RATES

FEDERAL AID PROJECTS

This proposal contains minimum wage determinations as specified by the U.S. Secretary of Labor. These wage rates shall apply in each individual classification.

If the Contractor requires a rate for any class of labor not listed here, they shall make application to the Commissioner, at the Department of Transportation, for same.

Copies of this rate sheet shall be posted in conspicuous places on the project at all times and will be furnished upon request.

The Contractor must anticipate needs for additional (supplemental) classifications and rates for himself/herself or any intended subcontractor in time (3-4 weeks) to obtain and post applicable minimum wage rates prior to actual employment or payment of wages to personnel in the intended classifications.

This contract is subject to the Work Hours Act of 1962, P.L. 87-581 and implementing regulations.

NOTE:

See attached July 28, 1994 U.S. Department of Transportation Memorandum for guidance of applicability of Davis-Bacon Wage Rates.
